### What happens next?

Your application will be acknowledged by email to confirm we have received it. Once the closing date has passed all submissions will be reviewed by the committee. If the committee wish to take your application further, they will invite you to attend an in-person meeting where you will bring along you finished pieces of work and sketchbooks. You will be asked to leave them for about 20 minutes after which time you can collect them. No feedback will be provided on the day but you will be notified of the outcome as soon as possible after the decision is made. If you can't attend in person with your finished pieces of work and sketchbooks then a postal option may be available but our preference is always 'in person' if possible.
